

Crestwood SD District Level Plan

Mission

The mission of the Crestwood School District is to support personalized learning so students are college and career ready upon graduation.

Vision

Your future is our goal!

Shared Values

Shared Core Values

1. We develop individuals that can adapt to change and acquire skills for the future.
2. We support a diverse environment across our school communities.
3. We believe technology improves teaching and learning.
4. We believe that quality education is the responsibility of the entire community.
5. We believe that all students can achieve.
6. We believe that the purpose of education is to build productive citizens.

Crestwood SD District Level Plan

The Crestwood SD is committed to using these goals as the blueprint for guiding the school district through the years.

«Goals»

Goal 1: By August 2020, all grade levels that participate in state level standardized tests will establish a common assessment, connected to PA Core Standards/Eligible Content, and administered to students at least two times a year to determine curricular alignment with the expected content.

Strategies

Common Assessment within
Grade/Subject

Instructional Coaching: The Principles of
Partnership

Substantial Professional Development

Goal 2: By August 2020, all teachers will create, administer, and evaluate a curriculum based measurement that assesses student growth toward mastery of the grade level/content area objectives.

Strategies

Common Assessment within
Grade/Subject

Instructional Coaching: The Principles of
Partnership

Substantial Professional Development

Goal 3: By August 2020, all teachers will implement the use of Google Docs Classroom Apps appropriate for their instructional level, using clearly established guidelines and training, to improve student collaboration as an effective tool for learning.

Strategies

Instructional Coaching: The Principles of
Partnership

Substantial Professional Development
